

CHENIN BLANC SAUVIGNON BLANC GRENACHE BLANC

2022

This partially wooded wine shows layers of green apple with kiwi fruit aromas. Ripe pear and melon flavours as well as green pepper notes are evident on the balanced palate, followed by a gently lingering finish. The old bush-vines of the Chenin Blanc yield ripe, creamy stone fruit flavours which are complemented by the crisp green fruit of the Sauvignon Blanc. The addition of Grenache Blanc in this blend provides richness and texture with ripe pear flavours. Finely flavoured dishes of seafood and poultry will complement this unique blended wine.

ANALYSIS

Alcohol 13.78% | **Total Acidity** 6.1 g/L

Total Sulphites 139 mg/L | **pH** 3.30 | **Residual Sugar** 3.6 g/L
