

CABERNET SAUVIGNON

2020

This Cabernet Sauvignon shows layers of blackcurrant fruit and herbaceous hints on the nose which follow through on the palate. An elegant wine with typical Cabernet Sauvignon flavours of black fruit. Delicious with red meat dishes – or simply on its own.

ANALYSIS

Alcohol 13.79% | **Total Acidity** 5.8 g/L

Total Sulphites 108 mg/L | **pH** 3.47 | **Residual Sugar** 4.6 g/L
