

SHIRAZ GRENACHE VIOGNIER

2020

This wood-matured and elegant red wine shows prominent dark berry fruit flavours with a rounded, smooth mouthfeel. The richly complex savoury notes and white pepper spice of the Shiraz complement the luscious black cherry flavours of Grenache, while the Viognier adds a gentle lift of floral scents. The winemaker's blending skills ensure a wine of harmony and finesse with a lingering finish. Finely flavoured dishes with red meats, particularly lamb, will complement this unique blend.
